SOFITEL BARCELONA SKIPPER

Leave the urban excitement of Barcelona behind. Sofitel Skipper Barcelona is a welcoming verdant oasis that exudes elegance at the gateway to the city's Gothic Quarter. Totally redesigned, it is the brand's new flagship hotel in Southern Europe. Spirits soar before the luxuriant vertical garden that springs from the hotel's façade, foreshadowing the delights that hide within. Once you're through the doors, the bustle of your vibrant city surroundings disappears and la vida chic takes over. Sofitel's signature French appeal starts with a "Bienvenue" upon arrival and spreads throughout each stay, from the décor and ambient fragrance to the ubiquitous joie de vivre.
