

HOTEL

HABITA79 Hotel & Spa Pompeii - MGallery is housed in a majestic beginning-20th century building surrounded by gardens and overlooked by an ultra-modern rooftop, from where you can enjoy a breathtaking view of Pompeii's Archeological Site and of Mount Vesuvius. After recent and complete renovation, HABITA79 is now a boutique hotel that exudes sober and polished elegance, the outcome of a fusion of modern tailor-made design.

LOCATION

Just a short distance from the entrance to the UNESCO Archeological Site, HABITA79 is located in the heart of Pompeii, only 50 metres from the Pontifical Shrine of the Blessed Virgin of the Rosary of Pompeii. Naples' airport and train station are just 20 minutes driving, whereas Pompeii's train station is only a few steps away.

ROOMS

HABITA79 houses 79 rooms featuring modern tailor-made design: 5 Suites, 5 J-suites, 12 Deluxe and 57 Superior. Connecting rooms and HD access are available at each floor. Rooms are quiet and provided with air conditioning, automation, high speed Wi-Fi, 55" Smart TV with premium channels, walk-in shower, safe with charging socket, mini bar, USB charger, 24/7 room and laundry services.

MEETING ROOM

The hotel offers 5 modular meeting rooms with natural light, equipped with the best A/V technology and automation systems. One of the rooms is equipped with an independent kitchen and can be used on occasion for banqueting. It can be connected via a video conference system to the meeting rooms, allowing the hotel to accommodate conferences for up to 300 participants.

RESTAURANTS

"Il Circolo" restaurant - In a 50s setting, surrounded by beautiful gardens, Il Circolo presents itself as a modern social club which offers customers the pleasure of a full immersion in the culinary tradition of Campania with the unfailing presence of her majesty: the pizza.

"The Roof" restaurant and lounge - Located on the beautiful terrace of the hotel, the gourmet restaurant The Roof is the perfect place to savor refined dishes and tasting journeys created by the innovative hand of chef Lepre, while admiring the splendid panorama of Mount Vesuvius.

FACILITIES

Solarium - The panoramic solarium is located on the top floor of the hotel and offers sunbeds, umbrellas, showers and a shallow water pool to enjoy the Southern Italian weather.

Nuxe Spa - The spa spreads over 300 sqm and offers to hotel guests a complete set of treatments: internal pool with 10 hydromassage stations, Finnish sauna, Turkish bath, multi-sensory shower, relaxation area and treatment cabins.

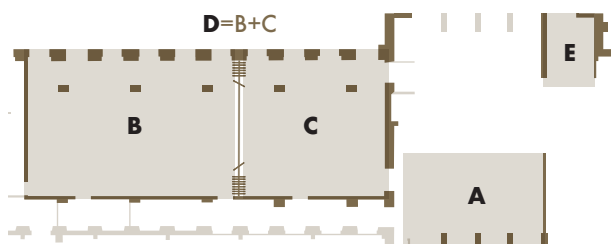

Charging stations - At the entrance of the hotel our guests can use 2xTYPE-2 22 kW charging stations at a charge (Enel X network).

Green Technology - The hotel, unique example in Europe, utilizes geothermal energy, cogeneration plant, glycol accumulator tank and other hi-tec temperature controlled systems that all together give amazing energy savings and minimize the carbon footprint.
