PALAZZO CARACCILO - NAPLES

Palazzo Caracciolo, an ancient building dated back to the XIII century, sits at the heart of Naples, charged with mystery and heritage, and welcome guests wishing them a fascinating and authentic "time travel" through 800 years of history.

The renovation, completed in 2009, had the clear purpose of restoring the personality and the original style of the Palace, presenting its fine finishing and the original features.

Crossing the impressive threshold of the main entrance you are suddenly caught by the fascinating atmosphere of Palazzo Caracciolo and you can easily imagine coach espassing through the ancient cloister and the court excitement.

Located in the city centre, a few meters from the famous Cathedral Duomo of San Gennaro, the Madre Museum, the Archaeological National Museum, this ancient palace was the residence of the Caracciolo family and even of the King of Naples, Joachim Murat.

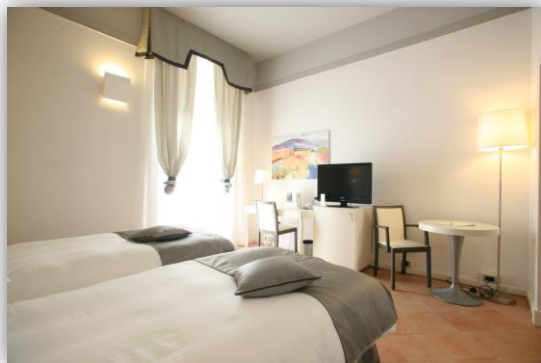

Elegance is the essence of every nook of the Palace. It permeates every room, giving them a taste of uniqueness and character, in harmony with the original features in a timelessly elegant composition.

146 rooms (divided into Superior, Deluxe, Junior Suite and Suite) where the guest can feel a solemn and imposing historical identity, melt with the most modern demands of hospitality.

SUPERIOR ROOM

Sobriety and refinement, design and comfort blend together in a harmonic weave with the classic style and the history of the place.

DELUXE ROOM

Spacious and elegant, equipped with all the most modern comforts, queen and king size bed . Duplex rooms are also available. Some rooms have a terrace overlooking the historic cloister.

JUNIOR SUITE

Spacious and stylish, each Junior Suite displays its own particular identity, expressing a unique personality in terms of shape, size and attention to detail. The Junior Suites are also available in Duplex typology with convenient solutions

SUITE

Located in the heart of the Palace, the exclusive Suites represent the very soul of the building. Luxurious details, refined architecture with wooden ceilings and floor area up to 70 sqm.

OUR WONDERFUL SPACES

LA CUCINA

Emblem of the refined hospitality of Palazzo Caracciolo is the restaurant "**La Cucina**", a real kitchen, where guests can act like in their own kitchen and enjoy a gastronomic journey through the flavors of Neapolitan tradition.

Lastly "**La Cantina**", a refined bar, to taste and savor a glass of fine wine and give in to the temptations of Neapolitan pastry accompanied by an authentic espresso ...
