## A LEGENDARY HOTEL IN LA DÉFENSE

Entirely renovated, Nest Hotel Paris La Défense is an urban cocoon situated in the heart of Europe's largest business district. Located toward the eastern end of the Esplanade de La Défense, making it so easy to reach central Paris and the Champs-Élysées in a few minutes. With an inventive attitude, inspiring style and tailored services. The Nest has become the boutique hotel in La Défense. This is the place where chic décor and savoir-vivre meet homey comforts and happiness.

## MEMPHIS STYLE

Welcome to spaces reimagined by Parisian designer Oscar Ono, who has created a unique universe with his fresh interpretation of 1980s-era Memphis style. Inspired by English clubs, the style is at once snug, simple and sophisticated, thanks to the harmonious mingling of warm terracotta tones with quality materials like velvet, mahogany and marble. Colorful and inviting, the rooms are equally conducive to relaxation and work.

## COZINESS IN THE CORE OF A BUSINESS DISTRICT

Amidst the steel, glass and concrete of La Défense, Nest Hotel emerges as a welcoming cocoon. Step through the doors to enter a world marked by serenity, wellness, simplicity and comforts. The guest rooms and *Ô Mazette* restaurant are a refuge offering hushed tranquility... soft, mellow and heartfelt.

With a unique décor inspired by 1980s-era Memphis style, the restaurant-bar and guest rooms break conventional rules, bringing about that wonderful feeling of being in a brand new space perfectly in tune with its times and location.

Nestled in the heart of La Défense district, between the Grande Arche and Arc de Triomphe, Nest Hotel Paris La Défense is an urban cocoon that offers guests conviviality, simplicity and authenticity.
