

— *A combination of modern and traditional elegance*  
A brand new boutique hotel in Venice, entirely renovated.

**Hotel** — Discover the “other” Venice, its secret gardens and hidden courts; live like a Venetian, experience the magic of a romantic journey through local flavors and melodies. The Papadopoli hotel has been completely renovated: each single detail has been curated by the best textile, glass and wood artisans of Venice, to create a 18th century atmosphere reinterpreted with modern elegance. Relish the calm and refined atmosphere throughout your stay.

**Exclusive services** — We deliver high-level services to make sure you’ll experience unforgettable moments in a warm, comfortable environment:

**RESTAURANTS AND BARS**

- The restaurant is located in the enchanting Winter

Garden designed by Tuscan architect Pietro Porcinai. The delicatessens served in this unique location provide a delightful experience to satisfy your senses.

- *The Terrace Lounge Bar & Kitchen* is the perfect place to enjoy the tea ritual, drink delicious cocktails or taste the lagoon’s delicate flavors, lost in a cozy atmosphere overlooking the enchanting canals.

**CONFERENCE/MEETING ROOMS**

The hotel is provided with a Board Meeting room with capacity up to 25 participants. The room Tolentini, 36 square meters, features the most advanced technology equipment available today, such as a laser projector, motorized retractable screen and a tablet to control the meeting room remotely.

**1.** 96 rooms and suites, finest interior design, full comfort — **2.** The Terrace Lounge Bar & Kitchen serves cocktails, bubbles and cicchetti, Venice traditional drinks — **3.** Interiors: a tribute to the Venetian theater and Carnival — **4.** The Winter Garden restaurant, enchanting location facing the park
